AAU TEAM TRY-OUTS COMING SOON!

W E L C O M E

Happy Thanksgiving, and welcome to Wekiva High School, home of the Mustangs. At Wekiva our motto is "Prepare for Greatness" and the creation of the 4th Annual Metro versus Florida Challenge clearly adheres to this philosophy. The concept is simple: 2 days, 20 games pitting the best teams representing the Orlando Metro Conference and its proud basketball heritage and tradition against 19 different teams from around the state of Florida. As a school in its 7th year, we are proud to be in the Metro Conference and a part of a collection of schools, faculty, staff, students and parents that are outstanding in so many ways. Athletic excellence is one of the hallmarks of our conference and our area as on a yearly basis, Metro Conference schools are among the state's best in every sport, especially men's basketball.

This weekend provides central Florida basketball fans an incredible opportunity to see the best basketball in the entire state over a 2-day period as these talented teams begin their journey to a hopeful Final Four run to Lakeland.

We believe this event already is among the best in Florida if not the Southeast, and we endeavor to make it even better in the future. We especially want to thank Superintendent Barbara Jenkins and Area Superintendent William Gordon for their support of our vision and efforts. In addition, we are grateful to the coaches and administrators at all our OCPS Metro schools that have invested in making this event successful!

We also are indebted to the countless supporters of Wekiva basketball that will be making this event successful. So many people have given time, energy and all means of support over the past 7 years in helping to build a basketball program that seeks to be a model of success on and off the court. In particular, a special thank you to Mark Bartschi and Steve Peavey for their efforts in helping to ensure the success of this event!

Enjoy the basketball and the blessings of your family over this Thanksgiving season!

SEASON PREVIEW

The Panthers lost all 5 starters from last year's regional semifinalist team, but Freedom transfer Jonathan Laurent and a special incoming group of freshmen should keep the young Panthers where they have remained for the last 20 years—competing for a district, regional, and metro championship. Laurent will provide a big scoring punch while veterans David Stephen and Wilkins Desir will see their roles expand. Incoming freshmen Chaundee Brown and Elijah Jordan will round out the starting lineup.

Assistant Coaches: Robert Moore, Thomas King, and Sheldon Chalwell

Last Season: 12-15 Overall / 4-3 District (District Runner-Up) · MVFC Lifetime Record: 0-1

SEASON PREVIEW

Deltona will be lead by 6'8" Chad Brown, who has committed to UCF as a junior, and sophomore Evan Hinson, who shot 41% from 3-point range last season. The Wolves return 4 starters from last year's team that lost in the first round of the high school playoffs. Brown, Hinson, Monroe and Mayo also started together on a team that made it to the 2A Elite Eight during the 2011-2012 season. Deltona has a lot of experience and with some additional transfers, the Wolves should have a chance to have a special season.

BUCCANEERS

Daytona Beach, FL · Class 6A District 5 · Head Coach: Landis McCoy (7th year)

Assistant Coaches: Cornelius James and Duane Campo

Last Season: 14-12 Overall (District Semifinalist) · MVFC Lifetime Record: 0-3

SEASON PREVIEW

This year's Bucs feature a strong veteran core of returners from the last two seasons including Craig Wilmore, who averaged 13.7 points and 9.7 rebounds last year and has continued to draw strong interest from multiple mid-major universities. Dexter Gooding also led the team with thirty made three-point shots and DaTeron Robinson followed making fifteen total from around the arch. Senior James Cuthbertson is a transfer student-athlete from Halifax Academy who should be an explosive addition to the Bucs' up-tempo style of play. Mainland will be extremely athletic and diverse on both ends of the floor, being able to score and defend in a variety of ways, and causing match-up problems throughout the year. As for the district, the Bucs will be favored as top-3 contenders for the title.

GREEN WAVE

Daytona Beach, FL · Class 3A District 5 · Head Coach: Eddie Miller
Assistant Coach: Gordan White

Last Season: 27-3 Overall / 6-0 District (Regional Runner-Up) · MVFC Lifetime Record: 1-0

SEASON PREVIEW

The Green Wave will face many challenges after last season's 27-3 record and Elite 8 appearance. Their schedule is tough and will test them, but when you have a point guard of Malik Maitland's caliber, and two really tough matchups in Ben Mareello and Kyle Epping who have a ton of varsity experience, you have to think they'll have a chance every game.

Last Season: 19-10 Overall / 8-2 District (Regional Finalist) MVFC Lifetime Record: 2-0

SEASON PREVIEW

Coach Mike Bowe returns 3 starters and welcomes 3 transfers to this year's Panthers as well as key members off last year's 16-2 JV squad. The Panthers look to repeat last year's regional final appearance. This year's squad has good depth inside lead by Jacksonville University signee Antwon Clayton. The guard court is solid with speed and quickness. Coach Bowe likes this year's team makeup, which is set up to press and run and give opposing teams lots of problems.

SEASON PREVIEW

The Panthers lost all 5 starters from last year's regional semifinalist team, but Freedom transfer Jonathan Laurent and a special incoming group of freshmen should keep the young Panthers where they have remained for the last 20 years—competing for a district, regional, and metro championship. Laurent will provide a big scoring punch while veterans David Stephen and Wilkins Desir will see their roles expand. Incoming freshmen Chaundee Brown and Elijah Jordan will round out the starting lineup.

SEASON PREVIEW

Freedom is coming off of one of the best seasons the school has seen in a long time. If they are to build on last year's success it will be on the shoulders of some very young and promising underclassmen. Freedom graduated seven players from a senior-laden team last year. The Patriots will rely heavily on first year varsity players like Sheldon Odunna, Quenden James (injured) and Dylan Angel to compliment seasoned veterans like Miguel Rojas, Riley Blake, and Michael Keller.

 Assistant Coaches: Lonza Morgan, Victor Floyd, and Faith Holiday
 Last Season: 17-12 Overall (Regional Runner-Up) · MVFC Lifetime Record: 1-0

SEASON PREVIEW

The University Cougars will be led by Sr. Tristan Owens and Jr. Joshua Raoul. This is a senior group that will get much better as they develop more chemistry with each other. Several players on this team went to the regional finals last year but they will all have different roles this year. Tristan Owens is the most experienced player and at 6'4" can handle the point, play in the post, stroke it from downtown, and get to the hole off of the dribble. Joshua Raoul is also a great shooter and has the ability to put the ball on the floor and finish at the hole. Marquese Surrell is a great athlete and will be an impact player for the Cougars. How well this senior group learns their roles will determine how far they go this year.

SEASON PREVIEW

This year's Hornets are a veteran squad, capable of playing more up-tempo than ever because of their depth, speed, and athleticism. The Hornets provide plenty of pressure on defense and an aggressive offense, attacking at all times. Each starter has been on varsity since his sophomore year. The group is led by SG D.J. Law who is also considered one of the best running backs in the country. His running mate, Brayan Morales is another smooth, athletic guard with a sweet left-handed jump shot and the ability to get off the floor quickly. The man in the middle is Derwin James, a rebounding machine and an All-American linebacker. Although committed to FSU as a safety, Derwin can bring the pain on the hard court too. Rounding out the starters is Jack Tisdale, a PG with ice water in his veins, and PF Akeem Martinez.
