Happy Thanksgiving, Central Florida Basketball Fans!

Welcome to Apopka High School, home of the Blue Darters. This year, we are proud to continue and expand the five-year tradition of the Metro versus Florida Challenge, one of the state's premiere showcases of high school basketball talent.

This year, our event has grown to three days and 21 games pitting 16 of the best teams representing the Orlando Metro Conference and its proud basketball heritage and tradition against 20 different teams from around the state of Florida. The Metro Conference represents a collection of schools, faculty, staff, students and parents that are outstanding in so many ways. Athletic excellence is one of the hallmarks of our conference and our area—on a yearly basis, Metro Conference schools are among the state's best in every sport, especially men's basketball.

This three-day showcase provides Central Florida basketball fans an incredible opportunity to see the best basketball in the entire state as these talented teams begin their journey to a hopeful Final Four run to Lakeland.

We believe this event already is among the best in Florida if not the Southeast, and we endeavor to make it even better in the future. We especially want to thank Superintendent Barbara Jenkins and Area Superintendent John Wright for their support of our vision and efforts.

We also are indebted to the countless supporters of basketball in the Apopka community that will be making this event successful. So many people have given time, energy and all means of support over the past five years in helping to establish an enduring legacy for this event. We are also grateful for the many coaches, parents, administrators, and volunteers for our participating teams that have worked tirelessly to build basketball programs seeking to be a model of success on and off the court.

Enjoy the basketball and the blessings of your family this Thanksgiving season!

GREEN WAVE

Daytona Beach, FL · Class 3A District 5 · Head Coach: Eddie Miller (20th year) Assistant Coach: Gordan White

Last Season: 18-11 Overall / 8-0 District (Regional Semifinalist) · MVFC Lifetime Record: 2-0

SEASON PREVIEW

The Green Wave are looking to improve upon last season's Sweet 16 appearance and 18-11 record. Returning three starters who hope to continue the winning tradition at Lopez, Coach Miller said, "This is the smallest team I've had at Lopez. Defensively, we have a long way to go. Our schedule is brutal and will test us. Having a point guard like Malik is a great place to start. The key for us is who is going to step-up. How fast will the sophomores and freshmen make an impact? Can we guard the top teams and do what it takes to pull games out in the fourth quarter? Those are big questions for us."

Last year, the Bloodhounds started the season 0-7 before getting their first win against state runner-up Bartow. But just as Auburndale got the ball rolling a bit, point guard and playmaker Keon Clergeot when down with a thumb injury and missed 15 games. In spite of the slow start and the setback, the Bloodhounds managed to win seven games in a row heading into districts and is poised to continue that momentum going forward into this season.

PEAGLES

Kissimmee, FL · Class 6A District 8 · Head Coach: Shane Whitsett (3rd year) Assistant Coaches: Antonio Wiggins, Durell Sykes, Wayne Ricks, and Coach Russo Last Season: 21-8 Overall / 9-3 District (District Semifinalist) · MVFC Lifetime Record: 1-0

SEASON PREVIEW

The Eagles are looking to get the sour taste out of their mouths from an upsetting loss in the District Semifinals last year vs Lake Wales. Poinciana's goal this season is to win Districts and try to make a deep run in the state playoffs. The team returns six key players from last season. Poinciana is loaded at the guard position, but besides Taron Mallard, they have no other big men. What the Eagles lack in size they make up for with tenacity and effort on the defensive end of the floor. Poinciana should be a fun and exciting team to watch this season.

HORNETS

Haines City, FL · Class 7A District 6 · Head Coach: Gregory Pritchett (10th year)
Assistant Coaches: Anthony Jones, Alonzo Lynch, Betsy Pynes, and O.J Simmons
Last Season: 20-10 Overall / 6-4 District (Regional Semifinalist) · MVFC Lifetime Record: 0-1

SEASON PREVIEW

This year's Hornets will be similar to the Hornet teams of the past: small in stature and up-tempo. Defensively the Hornets will look to speed up their opponents by forcing the pace via traps and full-court pressure. This year's group will be led by AJ Allen, a smooth left handed shooter that loves to play above the rim; JD Burnham, a dynamic player who can score the ball at all three levels; and last but not least, Zach Richardson, a fundamental gym rat who's a sharp shooter from three-ball land.
