# WELCOME

Happy Thanksgiving, Central FL Hoops Fans!

Welcome to Apopka High School, home of the Blue Darters. This year, we are proud to continue and expand the six-year tradition of the Metro vs. Florida Challenge, one of the state's premiere showcases of high school basketball talent.

Once again, our event spans three days pitting 16 of the best teams representing the Orlando Metro Conference and its proud basketball heritage and tradition against 21 different teams from around the state of Florida.

Please be sure to visit our website, MetroVsFL.com, throughout the event. You will find expanded full-color profiles of each participating team as well as live updates on scores. A QR code on each page in this program will link you directly to that team's online profile using the camera on your smartphone or tablet. Come back after the event to see full statistics posted from all 21 games.

The Metro Conference represents a collection of schools, faculty, staff, students and parents that are outstanding in so many ways. Athletic excellence is one of the hallmarks of our conference and our area—on a yearly basis, Metro Conference schools are among the state's best in every sport, especially men's basketball.

This three-day showcase provides Central Florida basketball fans an incredible opportunity to see the best basketball in the entire state as these talented teams begin their journey to a hopeful Final Four run to Lakeland.

We believe this event already is among the best in Florida if not the Southeast, and we endeavor to make it even better in the future. We especially want to thank Superintendent Barbara Jenkins and Area Superintendent John Wright for their support of our vision and efforts.

We also are indebted to the countless supporters of basketball in the Apopka community that will be making this event successful. So many people have given time, energy and all means of support over the past five years in helping to establish an enduring legacy for this event. We are also grateful for the many coaches, parents, administrators, and volunteers for our participating teams that have worked tirelessly to build basketball programs seeking to be a model of success on and off the court.

Enjoy the basketball and the blessings of your family this Thanksgiving season!

## SEASON PREVIEW

The Dr. Phillips Panthers basketball team enters the season having to replace all five starters from last year's squad, but that doesn't mean any of the team goals have changed. The faces change, but the program standards, goals, and expectations do not. A trio of seniors will lead this year's squad. 6'6" senior forward Justin Tucker will be counted on heavily along with seniors Jaquarious Bargnare and Richard McKenzie. All are returning varsity players. Junior Nick Smith will also be one of the Panthers key contributors along with sophomore guards Daniel Love and Je'Quan Burton. About half the team plays varsity football so DP may be short-handed at the Metro vs. Florida Challenge depending on football playoff results, but this is a team that can compete for and accomplish all of our team goals when at full strength.

The Eagles expect to be very competitive this season and win every time they step on the floor. Their goal is to win their district and make a run in the state playoffs. A very young, inexperienced but talented club of Blue Darters hopes to make great improvement this season. Donnell Huey is the team's returning leader in scoring (13.0) and rebounding while Derrick Miley, Jai Clark, and Rodney Lubin all look to inherit major roles this year. ## SEASON PREVIEW

The Trojans ended last season on a perfect district record that led to a district championship and a #1 SourceHoops/FABC ranking, but they lost to Dr. Phillips in the first round of the playoffs. Graduation took six seniors, two of whom were nationally ranked, but the Trojans remain optimistic. This season, despite having just one senior on the roster, Evans looks to gain experience with a solid junior class led by Kimani Binder and Ickson Masson. Corey Kaiser, Jordan Collins and Jamehl Williams will also help provide leadership for this perennially solid team which is no stranger to the state finals. Evans' own 8A-3 district and neighboring District 4 are stocked with powerhouses, but Coach Gordon will still be looking to take the Trojans to compete for a fourth straight district championship in his first year at Evans!

## SEASON PREVIEW

Jones returns two seniors and two juniors from last year's squad. The Tigers had a tough season in a tough district last year but look to rebuild behind the talents of seniors Jerry Cantave, Cam Saunders, Amar Nelson, Cedric Jackson, and Stacey Lawson. They also hope to be carried by a deep team that includes four juniors and two sophomores, which should stabilize the personnel and give the Tigers an opportunity to build a program for long-term success. This season's schedule includes two tournament appearances - this game will match them against a tough Sickles program, and the Cancer Awareness Classic in January will test them against Colonial. Combined with their regular season games, the Tigers hope these trials will prepare them for what is sure to be a challenging district tournament.

Asst. Coaches: Richey, Castaneda, Fate-Quinn · Last Season: 6-20 (1-5) · Dist. Semifinalist · MVFC Record: 1-3

### SEASON PREVIEW

New coach Willis McPhee returns five members of last year's team hoping to build East River into a strong program in a tough district. With just four seniors and three underclassmen, the roster is dominated by juniors who will need to step up and take a more dominant leadership role in an overall young program.

The bright side is that East River has a solid future with players who will have an opportunity to gain experience in a schedule that would test the strongest of teams as the Falcons try to make some serious noise in their district.

Last year, the Cougars started from scratch with only one player with minimal varsity experience. University also had some very young guys playing major roles. They expect to be in the second year of that process but early indications are that the guys are coming along at a faster pace than anticipated.

The Cougars lost eight games last year in which they were leading with two minutes remaining. This year they should win a few more of those games now that the boys have a little more experience. University is looking to play some exciting ball and also looking forward to another great team effort this year.

## SEASON PREVIEW

The Dr. Phillips Panthers basketball team enters the season having to replace all five starters from last year's squad, but that doesn't mean any of the team goals have changed. The faces change, but the program standards, goals, and expectations do not. A trio of seniors will lead this year's squad. 6'6" senior forward Justin Tucker will be counted on heavily along with seniors Jaquarious Bargnare and Richard McKenzie. All are returning varsity players. Junior Nick Smith will also be one of the Panthers key contributors along with sophomore guards Daniel Love and Je'Quan Burton. About half the team plays varsity football so DP may be short-handed at the Metro vs. Florida Challenge depending on football playoff results, but this is a team that can compete for and accomplish all of our team goals when at full strength.

## SEASON PREVIEW

Freedom's core of young players should be able to make noise in their district by season's end. Defense will be the main focus, and this team will look to provide more pressure while benefiting from improved shooting and a more open offensive system. The Patriots are a well-balanced team with good chemistry on both ends of the court.

Winter Park, FL · Class 4A District 6 · Head Coach: Irwin Hudson (2nd year)

Asst. Coaches: Jack Coughlin, Andre Garcia · Last Season: 16-7 (2-1) · Dist. Runner-Up · First MVFC Appearance

## SEASON PREVIEW

The Saints look to build on a successful season with their sights set on the district championship this year. Coach Hudson loses four strong seniors who went on to play in college but seniors Trent Suddeth, Will Miles, and Blake Garfinkle along with sophomore sensation Jasen West provide significant continuity and a strong core of leadership. Trinity will rely on their size, agility, shooting, and guard play to carry them to the postseason in spite of heightened district competition.

Asst. Coaches: Pietkiewicz, Ross, Lloyd, Campbell, Poteat · Last Season: 22-7 (8-0) · Dist. Champion · MVFC Record: 3-2

## SEASON PREVIEW

The Trojans ended last season on a perfect district record that led to a district championship and a #1 SourceHoops/FABC ranking, but they lost to Dr. Phillips in the first round of the playoffs. Graduation took six seniors, two of whom were nationally ranked, but the Trojans remain optimistic. This season, despite having just one senior on the roster, Evans looks to gain experience with a solid junior class led by Kimani Binder and Ickson Masson. Corey Kaiser, Jordan Collins and Jamehl Williams will also help provide leadership for this perennially solid team which is no stranger to the state finals. Evans' own 8A-3 district and neighboring District 4 are stocked with powerhouses, but Coach Gordon will still be looking to take the Trojans to compete for a fourth straight district championship in his first year at Evans!

## SEASON PREVIEW

The Lions sorely miss 7'6" Tacko Fall, who went on to the University of Central Florida after graduating from Liberty Christian Prep last year. But they reload behind the talents of 6'3" senior point guard Alberto Moreno, who has been making noise and attracting attention from multiple colleges.

Liberty's 2015-2016 squad is a balanced team of juniors and seniors who they hope will be able to stand their ground against the likes of perennial powerhouses Oldsmar Christian, West Oaks, and Arlington Country Day when it comes time for the next Sunshine Independent Athletic Association tournament in February.

## SEASON PREVIEW

Despite losing 60% of their offense to graduation, Wekiva returns seven players with varsity experience. Paul Reed, Ruben Sheppard, and Keon Morris will be instrumental along with the leadership of Da'Jon Patterson. The team chemistry should result in defensive improvement. Ronderick Perry and Jeremy Johnson stand out among Metro Conference sophomores helping Wekiva to what they hope will be a third consecutive playoff appearance.

Asst. Coaches: Tim Ferrell, Dave Tucker, Grant Mollett · Last Season: 11-6 (1-4) · Dist. Semifinalist · MVFC Record: 0-2

## SEASON PREVIEW

East Ridge returns just two seniors from last year's squad in what will be a difficult-to-predict year in terms of playoff outcomes. Thanks to this year's redistricting, none of the members of 7A-5 were playoff contenders in that classification last year. (Only Lake Minneola made the playoffs, but it was in 6A.) This leaves the postseason wide open for any team to stake their claim, and the Knights want to be that team. After graduating four seniors from last year's roster, East Ridge reloads behind the leadership of Rashaun Jackson, Brandon Mills, Darwin Morales, Brian Leon, Omar Morales, Justin Blake, and Damian Santucci. In spite of the senior-heavy squad, the Knights have plenty of underclassmen in the ranks to maintain continuity and build the program up to perennial success.
