Happy Thanksgiving, Central FL Hoops Fans!

Welcome to Apopka High School, home of the Blue Darters. This year, we are proud to continue and expand the seven-year tradition of the Metro vs. Florida Challenge, one of the state's premiere showcases of high school basketball talent.

Once again, our event spans three days pitting 18 of the best teams representing the Orlando Metro Conference and its proud basketball heritage and tradition against 22 different teams from around the state of Florida.

Please be sure to visit our website, MetroVsFL.com, throughout the event. You will find expanded full-color profiles of each participating team as well as live updates on scores. A QR code on each page in this program will link you directly to that team's online profile using the camera on your smartphone or tablet. Come back after the event to see full statistics posted from all 22 games.

The Metro Conference represents a collection of schools, faculty, staff, students and parents that are outstanding in so many ways. Athletic excellence is one of the hallmarks of our conference and our area—on a yearly basis, Metro Conference schools are among the state's best in every sport, especially men's basketball.

This three-day showcase provides Central Florida basketball fans an incredible opportunity to see the best basketball in the entire state as these talented teams begin their journey to a hopeful Final Four run to Lakeland.

We believe this event already is among the best in Florida if not the Southeast, and we endeavor to make it even better in the future. We especially want to thank Superintendent Barbara Jenkins and Area Superintendent John Wright for their support of our vision and efforts.

We also are indebted to the countless supporters of basketball in the Apopka community that will be making this event successful. So many people have given time, energy and all means of support over the past seven years in helping to establish an enduring legacy for this event. We are also grateful for the many coaches, parents, administrators, and volunteers for our participating teams that have worked tirelessly to build basketball programs seeking to be a model of success on and off the court.

Enjoy the basketball and the blessings of your family this Thanksgiving season!

SEASON PREVIEW

Marcel Thomas takes over one of Lake County's top basketball programs after leading Leesburg to back-to-back title games in 2011-12. He feels this team has some special qualities of its own. Last season, the Hawks graduated several seniors, including 4-year starting PG Marcus Dodson (UCF), and will be relying on a talented group of underclassmen to get back to prominence. With a challenging schedule, Coach Thomas feels once this team gets experience, the Hawks will be ready for another playoff run.

SEASON PREVIEW

Dr. Phillips returns seven players from last year's playoff squad, but four will miss the Metro vs. Florida Challenge due to the football playoffs. 4-year letterman Nick Smith (NC State: Football) will be counted on for leadership. SEASON PREVIEW

The Trojans return nine players (four starters) from last year's District Championship team. They have depth and experience, but still lack size. Kimani Binder, Ickson Masson, and Jordan Collins are the seniors who will give Evans versatility in scoring the basketball. The Trojans should have several underclassmen play key roles for them this year.

The Yellowjackets' goals each year remains the same: to play hard, play smart, and play together. This is their formula for success on the court and what enables them to represent Bartow with great class, respect and dignity. Coach McGriff gives the good Lord the credit for his favor on them. Standout performers this year include McKinley Harvin, who has offers from Winthrop, Lincoln Memorial, and FL Southern; and Timothy Jordan, a running back verbally committed to Western Kentucky for football.

SEASON PREVIEW

After graduating 5 seniors, Coach Devlin welcomes a very young team. Four returning juniors from last year's team are the building blocks. The Panthers will be athletic and try and pressure teams and force the tempo. Willie Shelton and Keenon Benn are two players that should have big years for the Panthers. Three freshmen and two sophomores will have to work together with their veteran teammates to make a run at the district championship.
