Happy New Year, Central FL Hoops Fans!

Welcome to Apopka High School. After seven years of launching the basketball season over Thanksgiving with the Metro vs. Florida Challenge, last year we moved to MLK weekend to accommodate changes to the FHSAA calendar as we continue the tradition of hosting one of the state's premiere showcases of high school basketball talent.

Our event has grown to four days pitting 18 of the best men's teams representing the Orlando Metro Conference and its proud basketball heritage and tradition against 19 different teams from around the state of Florida. Last year we added a special game with the Lady Darters, and this year features them in a district rivalry contest against Wekiva.

Lyle Heinz, Principal • Russell Wambles, Athletic Director • Scott Williams, Head Men's Basketball Coach

The Metro Conference represents a collection of schools, faculty, staff, students and parents that are outstanding in so many ways, including and especially athletic excellence in men's basketball.

Visit MetroVsFL.com for expanded full-color profiles of each participating team as well as live updates on scores and live video coverage. Scan any QR code with your phone or tablet to view the team's online profile. And come back after the event to see full statistics for each game.

We believe this event already is among the best in the southeast and gets better each year. We thank OCPS and the countless supporters of Apopka basketball who have supported this event over the past nine years establishing an enduring legacy.

Orlando, FL • Class 9A District 5 • Head Coach: Duke Leonardo (2nd year)
Last Season: 4-21 (0-6) • 2018 Dist. Quarterfinalist • Through December: 1-10 (0-3) • MVFC Record: 2-4

SEASON OUTLOOK

The 2018-19 Freedom Basketball team looks to have a bounce back second half of the season. Seniors Turner, Laguerre, and Colon look to step things up and lead the way for the Patriots. Sophomore Point Guard Austin Davis Garcia gets the Pats offense going, along with sharp shooting Junior Holden Mckenzie. The junior combo of Bigs, Jagger Fremstad and Maxwell Dye can be a tough matchup inside.

Last Season: 13-15 (4-1) • 2018 District Runner-Up • Through December: 5-7 (0-0) • MVFC Record: 2-2

SEASON OUTLOOK

After a Sweet Sixteen appearance two years ago, the Lakers hit a bump last year after their roster was depleted of veterans by graduation. But new coach Brian Hoff is ready to return Windermere Prep to the playoffs in spite of a relatively young 2018-19 roster that only includes two seniors. The benefit of such a young group, though, will be consistency and development from season to season.

SEASON OUTLOOK

After a rough patch of seven seasons at .500 or less, new coach Jarred Neff hopes to turn a new page for the Bears with seven seniors on the roster, four of whom return from last season. It won't be easy, though, in a district loaded with perennial powerhouses Oak Ridge and Dr. Phillips standing between the Bears and the playoffs.

Last Season: 11-16 (2-4) • 2018 Dist. Semifinalist • Through December: 3-7 (0-3) • MVFC Record: 10-5

SEASON OUTLOOK

After a state runner-up finish two years ago, last year's 11-16 record came as a disappointment for the Mustangs. But 15 of those 16 losses averaged a 5.8 point margin, placing Wekiva on the edge of greatness. This year the Mustangs will look to the talents of their new and returning players to play their brand of basketball and get back into the state tournament.

SEASON OUTLOOK

None of the current Panthers were on the 2016 squad that captured a District Championship and advanced all the way to the Elite Eight, but Coach Sheppard was there and knows what it takes to inspire his team to realize what's possible. Senior Stephen Knowles, who was named to the Polk Preps Honorable mention list last year, will join David Labardy in providing leadership to a varsity roster that is, on the whole, still quite young.

SEASON OUTLOOK

2018-2019 will be a season of building for the Lady Blue Darters as they look to fill in the gaps with their skills and increase their knowledge of the game. Apoeka's five seniors will need to provide leadership to what is otherwise a very young roster working on building experience.

Last Season: 23-5 (5-1) • 2018 Dist. Runner-Up • Through December: 10-4 (3-0) • First MVFC Appearance

SEASON OUTLOOK

Last year's Lady Mustang squad was perhaps the best-poised to make a state final run since 2016, but the team's youth resulted in an upset and early exit from the playoffs when they faltered in high-stakes games. This year, that same youth will be an advantage as Wekiva returns a number of power players including three healthy seniors. Look for them to make another state run next month.

TRITONS

Cape Coral, FL • Class 6A District 12 • Head Coach: Keeth Jones (2nd year)
Last Season: 21-9 (6-0) • 2018 Reg. Runner-Up • Through December: 2-9 (1-1) • MVFC Record: 0-1

SEASON OUTLOOK

After losing in the Regional Finals last season, the outlook for the Tritons was bright. But through transfers and injuries, they only return two role players from last year's team. Mariner has struggled with inexperience and chemistry in the early season. It is definitely a rebuilding year.
