Happy Thanksgiving, Central Florida hoops fans!

Welcome to Apopka High School, home of the Blue Darters. After the public health situation forced us to cancel last year's event, we couldn't be more excited to bring back a Central Florida Thanksgiving tradition for its eleventh installment! The 2021 Metro vs. Florida Challenge has more games than ever, featuring 46 teams in 24 exciting matchups!

Last season, we lost a beloved member of our coaching family, Earl Graham, a Central Florida coaching legend who dedicated nearly 50 years inspiring countless players to love the game and become better men. To honor his legacy, we have rechristened our event the Earl Graham Metro vs. Florida Challenge. You can read more about Coach Graham and his lifetime of contributions to the community on pages 16-17.

The Metro Conference represents a collection of schools, faculty, staff, students and parents that are outstanding in so many ways. Athletic excellence is one of the hallmarks of our conference and our area—on a yearly basis, Metro Conference schools are among the state's best in every sport, especially men's basketball.

In this annual tradition, we put that reputation to the test—each game features one OCPS Metro Conference school as the home team and another talented program from the greater Central Florida area as the visitor. The Metro Conference holds a 7-3 record in the lifetime of this event, so we look forward to seeing how the stack up against the competition this year.

Visit MetroVsFL.com for the expanded profiles of each participating team, live updates on scores, live video coverage, and historical records of the best performances of all time.

We will be live streaming all of the games this year on both our YouTube channel and Varsity Sports Network, so if you have friends and family who aren't able to join us in person, please let them know they can tune in online:

youtube.com/c/MetroVsFla

varsitysportsnetwork.org

Come back to our site after the event to see full statistics for each game, and follow us on Facebook and Twitter for more live updates: @MetroVsFL

We believe this event already is among the best in the southeast and gets better each year. We thank OCPS and the countless supporters of Apopka basketball who have supported this event over the past twelve years establishing an enduring legacy. We are also grateful for the many coaches, parents, administrators, and volunteers from our participating schools who have worked tirelessly to build basketball programs seeking to be a model of success on and off the court.

REMEMBERING

Earl Graham

OCTOBER 16, 1948 - JANUARY 8, 2021

Earl Thomas (Johnson) Graham was born on October 16, 1948 in West Palm Beach, FL to Ella Mae Johnson and Theodore Graham. After his parents married, Mr. Graham legally changed Earl's name and he became Earl Thomas Graham. The family was active members of the St. John Missionary Baptist Church in Rivera Beach, FL. While living in Orlando, Earl was a member of the EBON Temple Church of Jesus and the Mt. Zion Institutional Missionary Baptist Church, where he participated in the Men's Ministry.

Earl was educated in Palm Beach County Schools where he attended Carver Junior High, Roosevelt High School, and Palm Beach High School, where he was a part of the desegregation initiative the Palm Beach County Schools. At Palm Beach High, Earl was an outstanding athlete-recognized as an All American in football. After graduating from high school in 1966, Earl received a scholarship and attended Alabama A & M University, Huntsville, AL, where his major was Physical Education and Kinesiology. He loved his years in college. He pledged Omega Psi Phi Fraternity and was inducted into the Nu Epsilon Chapter (1970). He also continued to pursue his athletic endeavors had a wonderful collegiate career as a member of the football and tennis teams. After spending several exciting years as a college athlete, Earl tried out for the Kansas City Chiefs. Although he did not make the team,

he was disappointed, but not defeated, and set another course for his life.

In June 1972, he married Cynthia Hinson and stepped into his role as father to her son, Andrew; in subsequent years, two sons were born to their union. Then, in 1973, he moved to Orlando, FL where his new family resided. In Orlando, he worked several jobs while he prepared for the test to become a firefighter with the City of Orlando. In 1974, he became a member of the third class of Black firefighters hired by the City of Orlando. He served the Orlando community for twenty-eight years as a Fire Fighter First Class and EMT Fire Fighter. Being the athlete that he was, Earl played on several softball and basketball teams. However, after realizing the liability of playing sports himself while working as a firefighter, he began coaching YMCA and Pop Warner football teams and basketball teams. The work schedule of 24 hours on/ 48 or 72 hours off worked well for Earl, as it gave him days of uninterrupted time to pursue his real passion of coaching kids. He finally settled in that coaching basketball was where his real passion and talents lay. It was at this point that his nearly fifty-year coaching career began. Over the years, however, he often interspersed coaching football with his basketball coaching.

In 1975, his son Roderick Earl was born. Rod's first photo was taken in the hospital with his hand propped

on a mini basketball. Earl's "own player" was born; however, Earl very much realized that basketball was a team sport. So, as Rod grew and honed his skills, Earl grew as a coach and honed his skills. Rod's friends, classmates, and their siblings; Earl's fellow firefighters' sons, nephews, cousins, and their friends, as well as the Rock Lake neighborhood and Elementary School were the recruiting grounds for his teams. Additionally, affiliation with the American Athletic Union (AAU) birthed traveling, local, regional, state and national teams. It was a regular occurrence for the Graham house to be filled to capacity with team members whose parents would not be able to attend the game. If the team had a pot of spaghetti (although Earl did not cook) or money for McDonald's or Burger King coupons, and a van (Everyone remembers the big red & white van.), Coach Graham was good to go and the team was on the road.

In 1980, JayRaj was born. Even as a youngster, he would spend hours shooting hoops. He subsequently became the teams' mascot. (Earl very rarely coached only one team.) Jay enjoyed the privileges of being the coach's son and the teams' little brother. When Jay was five, Earl started a "sprout" team so he could grow Jay and his young relatives, friends, and classmates into basketball players.

Throughout his life and coaching career, Earl inspired thousands of players to love the game and become better men. While he can never be truly replaced, we can honor his legacy by playing on in his name. So it is in that spirit that we rechristen our annual celebration of Central Florida basketball:

HAWKS

Winter Garden, FL • Class 4A District 6 • Head Coach: Ben Wright (1st year)
Inaugural Season

SEASON OUTLOOK

The Hawks are a brand new program with no seniors on campus and most team members having moved to the area recently, so it's difficult to predict just what kind of impact this newest addition to Orange County Public Schools will have on the western half of the Metro Conference. Early talent to watch is emerging from Korvontae Hatter, Synaris Twitty, and Trei Ginn.

Last Season: 21-7 • Regional Semifinalist • MVFC Record: 2-4

SEASON OUTLOOK

MDCA enters the season with high expectations. Coach Hayes returns everyone but All State guard Rodney Bryant from last year's 21-7 team. The Bulldogs will look to make a run at the district title this year as well as a deep run into the state playoffs. Key returning players are 6'5" Reggie Virgil (Sr) (16 ppg), 6'5" Kevin Frederick (Jr), and guard Isaiah Bryant (Jr). Only Virgil and newcomer 6'4" sharp shooter Caleb Romano are seniors so this is still a young team for the Bulldogs.

The Bears have only one returning starter from last year, Casey Johnson. Cypress Creek is guard heavy, and they will look to be the best they can be each game. While the bears may have a young team this year, they will be exciting to watch. Five seniors and only two players returning from the team last year will make this year fun to watch how such a young team does this season.

Apopka attempts to remain one of Class 7A's best programs with a virtually new cast of players. With only three returners, the Blue Darters will take some time to develop. But with guards Brandon Johnson, KJ Robinson, Daren Leath and Philip Tepper all becoming legitimate college prospects, shotmaking should be improved. BLUE DARTERS

Apopka, FL • Class 7A District 4 • Head Coach: Brittany Hardy (6th year)
Last Season: 14-6 • District Semifinalist • MVFC Record: 2-1

SEASON OUTLOOK

Within two years of Coach Hardy assuming the reins at Apopka Girls Basketball, they improved from 3-17 to 24-4 and haven't looked back. Now in her sixth year, Coach Hardy is ready to prove that Apopka is back in the conversation as a perennial state powerhouse and a potential spoiler to any team's would-be playoff run. Amya Patterson led the team to upset DP and nearly topple rival Wekiva in the 2021 Metro Conference Championships last week in the Darters' runner-up finish.

WOLVERINES

Windermere, FL • Class 7A District 5 • Head Coach: Erin Caffrey (2nd year)
Last Season: 7-8 • Regional Semifinalist • First MVFC Appearance

SEASON OUTLOOK

Last season was a roller-coaster where the Wolverines were only able to play 11 regular season games and dropped seven of them, but they hit their stride at the right time and had a successful playoff run into the regional semifinals. This year's young team features no seniors and no returning players with varsity experience, so they'll need to rebuild quickly to repeat last year's late-season magic.

BLUE DARTERS

Apopka, FL • Class 7A District 4 • Head Coach: Scott Williams (6th year)
Last Season: 15-7 • District Semifinalist • MVFC Record: 9-8

SEASON OUTLOOK

Apopka attempts to remain one of Class 7A's best programs with a virtually new cast of players. With only three returners, the Blue Darters will take some time to develop. But with guards Brandon Johnson, KJ Robinson, Daren Leath and Philip Tepper all becoming legitimate college prospects, shotmaking should be improved. Add one of Florida's best post players in rapidly developing 6'8" senior Sam Alexis, and Apopka believes by February they will be a playoff-worthy program once again.
