## *Happy Thanksgiving, Central Florida hoops fans!*

**O**ur Central Florida Thanksgiving tradition returns for its twelfth installment bigger and better than ever, spanning two sites, 28 games, and 49 teams!

The Metro Conference represents a collection of schools, faculty, staff, students and parents that are outstanding in so many ways. Athletic excellence is one of the hallmarks of our conference and our area—on a yearly basis, Metro Conference schools are among the state's best in every sport, especially men's basketball. In this annual tradition, we put that reputation to the test—each game features one OCPS Metro Conference school as the home team and another talented program from the greater Central Florida area as the visitor.

A comeback on the final day wasn't enough last year for metro teams to take the 2021 event, but the Metro Conference holds a 121-97 lifetime record, and we look forward to seeing how they stack up against the competition this year.

Visit [MetroVsFL.com](http://MetroVsFL.com) for the expanded profiles of each participating team, live updates

on scores, live video coverage, and historical records of the best performances of all time.

We are thrilled this year to expand our partnership with Varsity Sports Network for complete wall-to-wall live coverage of our event, including pregame, halftime, and postgame interviews as well as live broadcasting of all 28 game, so if you have friends and family who aren't able to join us in person, or if you need to step away yourself, please tune in online:

Come back to our site after the event to see full statistics for each game, and follow us on Facebook and Twitter for more live updates: @MetroVsFL

As our event moves forward, we continue to honor the memory of Earl Graham, a Central Florida coaching legend who dedicated nearly 50 years inspiring countless players to love the game and become better men. Beginning last year and continuing into the future, the Earl Graham Metro vs. Florida Challenge will bear his name as a constant reminder of what high school athletics can be at their very best.

We believe this event already is among the best in the southeast and gets better each year. We thank OCPS and the countless supporters of Apopka basketball who have supported this event over the past twelve years establishing an enduring legacy, and we thank the athletic staff and administration at Lake Highland Prep for allowing us to grow beyond the limits of one site. We are also grateful for the many coaches, parents, administrators, and volunteers from our participating schools who have worked tirelessly to build basketball programs seeking to be a model of success on and off the court.

# REMEMBERING

# Earl Graham

OCTOBER 16, 1948 - JANUARY 8, 2021

Earl Thomas (Johnson) Graham was born on October 16, 1948 in West Palm Beach, FL to Ella Mae Johnson and Theodore Graham. After his parents married, Mr. Graham legally changed Earl's name and he became Earl Thomas Graham. The family was active members of the St. John Missionary Baptist Church in Rivera Beach, FL. While living in Orlando, Earl was a member of the EBON Temple Church of Jesus and the Mt. Zion Institutional Missionary Baptist Church, where he participated in the Men's Ministry.

Earl was educated in Palm Beach County Schools where he attended Carver Junior High, Roosevelt High School, and Palm Beach High School, where he was a part of the desegregation initiative the Palm Beach County Schools. At Palm Beach High, Earl was an outstanding athlete-recognized as an All American in football. After graduating from high school in 1966, Earl received a scholarship and attended Alabama A & M University, Huntsville, AL, where his major was Physical Education and Kinesiology. He loved his years in college. He pledged Omega Psi Phi Fraternity and was inducted into the Nu Epsilon Chapter (1970). He also continued to pursue his athletic endeavors had a wonderful collegiate career as a member of the football and tennis teams. After spending several exciting years as a college athlete, Earl tried out for the Kansas City Chiefs. Although he did not make the team, he was disappointed, but not defeated, and set another course for his life.

In June 1972, he married Cynthia Hinson and stepped into his role as father to her son, Andrew; in subsequent years, two sons were born to their union. Then, in 1973, he moved to Orlando, FL where his new family resided. In Orlando, he worked several jobs while he prepared for the test to become a firefighter with the City of Orlando. In 1974, he became a member of the third class of Black firefighters hired by the City of Orlando. He served the Orlando community for twenty-eight years as a Fire Fighter First Class and EMT Fire Fighter. Being the athlete that he was, Earl played on several softball and basketball teams. However, after realizing the liability of playing sports himself while working as a firefighter, he began coaching YMCA and Pop Warner football teams and basketball teams. The work schedule of 24 hours on/ 48 or 72 hours off worked well for Earl, as it gave him days of uninterrupted time to pursue his real passion of coaching kids. He finally settled in that coaching basketball was where his real passion and talents lay. It was at this point that his nearly fifty-year coaching career began. Over the years, however, he often interspersed coaching football with his basketball coaching.

In 1975, his son Roderick Earl was born. Rod's first photo was taken in the hospital with his hand propped on a mini basketball. Earl's "own player" was born; however, Earl very much realized that basketball was a team sport. So, as Rod grew and honed his skills, Earl grew as a coach and honed

his skills. Rod's friends, classmates, and their siblings; Earl's fellow firefighters' sons, nephews, cousins, and their friends, as well as the Rock Lake neighborhood and Elementary School were the recruiting grounds for his teams. Additionally, affiliation with the American Athletic Union (AAU) birthed traveling, local, regional, state and national teams. It was a regular occurrence for the Graham house to be filled to capacity with team members whose parents would not be able to attend the game. If the team had a pot of spaghetti (although Earl did not cook) or money for McDonald's or Burger King coupons, and a van (Everyone remembers the big red & white van.), Coach Graham was good to go and the team was on the road.

In 1980, JayRaj was born. Even as a youngster, he would spend hours shooting hoops. He subsequently became the teams' mascot. (Earl very rarely coached only one team.) Jay enjoyed the privileges of being the coach's son and the teams' little brother. When Jay was five, Earl started a "sprout" team so he could grow Jay and his young relatives, friends, and classmates into basketball players.

Throughout his life and coaching career, Earl inspired thousands of players to love the game and become better men. While he can never be truly replaced, we can honor his legacy by playing on in his name. It is in that spirit that our annual celebration of Central Florida basketball forever bears his name.

## SEASON OUTLOOK

The Hawks are known for a fast and energetic brand of basketball, and this year looks to be no exception. With seven returning varsity players, the Hawks will bring more experience to the table this season despite still being an overall young roster. After finishing the regular season just above .500 last year, the Hawks peaked at the right moment to make an impressive playoff run. They hope to use that momentum as a spring-board into a strong 2022-23 effort.

## SEASON OUTLOOK

This year's team is one of the youngest Boone has had in recent memory. With only two seniors on the team, and just three players with any varsity experience, this team will need to mature quickly and learn on the fly. While they lack experience, they make up for it in comradery and togetherness. Regardless of early results, the coaching staff is excited by the long-term outlook of this group.

Last Season: 26-6 • State Runner-Up • MVFC Record: 11-4

## SEASON OUTLOOK

With Coach Witherspoon moving to UCF and seven seniors (including three D1 commits) graduating, the Panthers will be a much younger team this year, but Coach Cunningham wants to keep the momentum of back-to-back title game appearances going. Senior transfer Joseph Poventud will anchor a roster full of underclassmen as the Panthers try for another playoff run.

## THE COLLECTIVE

Along with the sponsors whose ads you read and hear during our event, we are blessed by an ever-growing number of anonymous donors. This “Collective” is largely made up of my former players. What an incredibly humbling experience to have your former student-athletes give back by supporting this event (and in turn, honoring the memory of Coach Graham)!

I thank God for the blessing of 30 years of coaching hundreds of remarkable men. These men (ALL of YOU) are my legacy, my “living trophies” (a phrase borrowed from Kansas State assistant coach Kevin Sutton). The chance to hopefully be a part of each of these players’ village is the greatest job in the world. Every team, every player has made an impact upon me and I pray for the greatest joy, peace and success for them all.

I’m also privileged to support six of our Apopka Blue Darters in their college careers this season:

Sam Alexis (2022)		University of Tennessee-Chattanooga
Zach Anderson (2020)		Florida Gulf Coast University
Myrick Davis (2021)		Warner University
Keeving Etienne (2019)		Christian Brothers University
John Latimer III (2021)		Rollins College
Nathan Louis (2019)		Reinhardt University

Each of these young men exemplify the culture and character of our program and I am so deeply proud of them.

To my “collective”: Thank you for enduring me, thank you for allowing me to coach you, and thank you for letting me be a part of your lives!

*Coach Williams*
